

Mr. Speaker, Frank began his illustrious career when he started his own hay bailing business at the age of 14. Through his vision and entrepreneurial spirit he was able to establish a successful family farm operation. He and his wife, Susan, today run a heifer replacement operation and grow alfalfa, corn and barely in southeastern Idaho.

When Frank is not busy on the farm, he, Susan and their 6 children attend church and actively participate in youth group activities. Clearly, we are fortunate to have someone like Frank serve the people of Idaho, and I personally want to wish him a heartfelt thanks for his dedicated service.

HONORING GREEK INDEPENDENCE DAY

HON. DEBBIE STABENOW

OF MICHIGAN
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 12, 2000

Ms. STABENOW. Mr. Speaker, I rise today to honor the 179th Greek Independence Day. On March 25, 1821, the Greek people started a battle that would lead to independence after more than 400 years of Ottoman rule.

Fortunately, Greek culture survived the Ottomans. Greek civilization inspired the framers of our constitution. The Greek political tradition had profound influence on our founding fathers and helped shape America's political foundation. The pursuit of freedom is just one of the many ideals which have historically bound us together.

Greek-Americans have made such a enormous contribution to American culture and American life. Today, Greek culture flourishes in America—in places like Detroit, Michigan and elsewhere in the Great Lakes States.

As a member of the Congressional Caucus on Hellenic Issues, I want to take this opportunity to salute the Greek people on their historic achievement. Greece is a dedicated U.S. ally.

I congratulate Greece for 179 years of independent rule and for a legacy that will last forever. My fellow colleagues, please join me in honoring Greek Independence Day.

HONORING THE LEXINGTON LIONS CLUB FOR 79 YEARS OF SERVICE TO THE COMMUNITY

HON. ERNIE FLETCHER

OF KENTUCKY
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 12, 2000

Mr. FLETCHER. Mr. Speaker, I acknowledge the accomplishments of an outstanding organization within the community of Lexington, Kentucky. With a motto of "We Serve", the Lexington Lions Club has been serving folks in the Lexington community for the past 79 years.

Its members always give freely of their time and labor to serve our nation, our state and local community. Their dedication to the ideals of service and high standards promotes good citizenship and the welfare of our neighborhoods. The members of the Lexington Lions have worked tirelessly to produce positive change and as a result, their efforts have helped many over the years.

I believe their hard work and dedication is obvious, as the Lexington Lions Club will come together on Friday, April 28, 2000 to celebrate its "Million Dollar Decade". Since 1990, this organization has worked to raise the necessary funds to serve the needs of our community. Their efforts to prevent blindness and their dedication to serving young people have touched and improved the lives of so many—I salute this remarkable organization for its many achievements, accomplishments and years of dedicated service.

Mr. Speaker, today I recognize an outstanding organization that has made so many contributions throughout its 79 years of service. It is an honor to share with my colleagues and the American people how the Lexington Lions Club has constantly given to make Lexington and Kentucky a better place.

IN SUPPORT OF METHAMPHETAMINES LEGISLATION

HON. MARY BONO

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 12, 2000

Mrs. BONO. Mr. Speaker, it is time to declare war against methamphetamines. Meth is a powerful and dangerous drug that harms innocent families and ruins neighborhoods and communities.

This dangerous drug is a threat to our society and our prosperity and it is time we take responsibility for solving this problem.

I rise to support Congressman CALVERT's legislation that will ensure that law enforcement officials are fully equipped with the resources to battle this destructive drug.

Meth has become the drug of choice in California and in my district. Worse, it is easy to manufacture and acquire. In fact, in Fiscal Year 1999, there were over 700 meth labs seized in Riverside and San Bernardino counties alone at a cost of \$1.3 million dollars to taxpayers.

Many anti-government forces believe that the war on drugs is a failure and that we should stop the fight. As a concerned parent, I strongly believe that it is our responsibility to not run and hide, but rather to step up to the plate and increase our commitment to the war against drugs. This legislation represents this continued commitment.

HONORING TORRANCE CITY COUNCIL MEMBERS HARVEY HORWICH, DON LEE, AND MAUREEN O'DONNELL

HON. STEVEN T. KUYKENDALL

OF CALIFORNIA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 12, 2000

Mr. KUYKENDALL. Mr. Speaker, I rise today to honor three distinguished individuals from the City of Torrance, Council members Harvey Horwich, Don Lee, and Maureen O'Donnell. Today they are being honored for their service to the community as their tenure on the City Council comes to an end.

All three individuals have exhibited a strong commitment to the local community. They have extensively volunteered their time for the

betterment of the community. I commend their selfless contributions to the City of Torrance.

Councilman Horwich has been an active volunteer in the community for over 20 years. He has been involved with the Torrance Civic Center Authority, the Parks and Recreation Commission, and the Planning Commission. A local small businessman, Harvey was appointed to the City Council in November of 1998.

A lifelong resident of the South Bay, Councilman Lee was first elected to the City Council in 1992. Prior to his service on the Council, Don Lee was a Planning Commissioner and a Parks and Recreation Commissioner for the City of Torrance. He is actively involved in the Torrance Rotary Club, YMCA, and Chamber of Commerce.

Councilwoman O'Donnell is a standout educator, teacher of American government and U.S. History at Gardena High School. She has been active in local politics and served on the Torrance Human Resources commission prior to her election to the City Council in 1992. She was selected as the Torrance YWCA Woman of the Year in 1994, and has been involved with the Torrance Historical Society, YWCA, and the Salvation Army.

Council members Horwich, Lee, and O'Donnell have been invaluable members of the Torrance community. On behalf of the City of Torrance, I thank you for your service. You have served the Torrance community with respect and honor.

INTRODUCTION OF THE CYBER SECURITY INFORMATION ACT OF 2000

HON. THOMAS M. DAVIS

OF VIRGINIA
IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 12, 2000

Mr. DAVIS of Virginia. Mr. Speaker, I am pleased to rise today to introduce legislation with my good friend and colleague from northern Virginia, Representative JIM LORAN, that will facilitate the protection of our nation's critical infrastructure from cyber threats. In the 104th Congress, we called upon the Administration to study our nation's critical infrastructure vulnerabilities and to identify solutions to address these vulnerabilities. The Administration has, through the President and participating agencies, identified a number of steps that must be taken in order to eliminate the potential for significant damage to our critical infrastructure. Foremost among these suggestions is the need to ensure coordination between the public and private sector representatives of critical infrastructure. The bill I am introducing today is the first step in encouraging private sector cooperation and participation with the government to accomplish this objective.

The critical infrastructure of the United States is largely owned and operated by the private sector. Critical infrastructures are those systems that are essential to the minimum operations of the economy and government. Our critical infrastructure is comprised of the financial services, telecommunications, information technology, transportation, water systems, emergency services, electric power, gas and oil sectors in private industry as well as our
